MRS. ELLEN DURNER PASSES AWAY

At her home 3 1/2 miles east of town, Mrs. Ellen Durner passed away at the ripe old age of 81 years, 10 months and 4 days. The immediate cause of her death was cerebral hemorrhage.

Mrs. Durner was born December 7, 1834, in North Carolina. For the last 57 years she has resided in the domains of St. Francois county. About two weeks ago she sustained several painful bruises, when she fell from a porch, and it is quite sure that the fall was instrumental in causing cerebral hemorrhage, which took her away.

She was an earnest and consistent member of the Presbyterian Church. The funeral was conducted at the Presbyterian Church in Farmington Wednesday, at 2:30, by Rev. J. W. Bailey, in the absence of the regular pastor. The body was laid to rest in the Catholic Cemetery.

ROOSEVELT ON DUTY OF ALIEN CITIZENS

Foreign-Born Population Must Be Americanized, He Tells Knights of Columbus.

New York, Oct. 12.—"The foreign-born population of this country must be an Americanized population—no other kind can fight the battles of America either in war or in peace."

Col. Theo. Roosevelt so asserted in a speech on "Americanism" before the Knights of Columbus at Carnegie Hall to-night. Col. Roosevelt said that at the outset it was the duty of immigrants to learn English. He suggested also adoption of a military system similar to the Swiss.

"If an immigrant is not fit to become a citizen he should not be allowed to come here," said Col. Roosevelt. "If he is fit he should be given all the rights to earn his own livelihood and to better himself, that any man can have."

Col. Roosevelt said that just as Democratic America required that church and state should be separate—that there should be no distinction of religious creeds in public office—so there should be no distinction of nationality.

"There is no room in this coun-

try for hyphenated Americans," he said; "when I refer to hyphenated Americans I do not refer to naturalized Americans. Some of the very best Americans that I have ever known were born abroad. But a hyphenated American is not an American at all."

ODD BITS OF NEWS

Los Angeles, Cal.—Samuel Pockosvewsky has grown tired of the efforts of his American associates to pronounce his name and has been on the lookout for a chance to change it. The chance came when he became engaged to a Miss Parker. Judge Thomas, on application, allowed the groom to take his wife's name and now he is the proud possessor of the handle of Samuel Parker.

Chillicothe, O.—C. W. Cravens and W. B. Cravens are brothers and both are engineers on the B. & O. Their wives are sisters. Both families live in the same house. The other day, six hours apart, both the Mrs. Cravens gave birth to children—one a boy and the other a girl.

New York, N. Y.—"Safety First," said Mrs. Arthur Maclean as she put two diamond earrings into her pillow case and went to sleep. The next day there were clean slips on the pillows. Mrs. Maclean was frantic. She besieged the laundry, but the pillow slips had been washed and ironed. Finally one earring was found gleaming in the bottom of the washtub and the other about to enter the drain pipe. They are valued at \$2000.

Philadelphia, Pa.—A demonstrator in the department store mixed a poisonous liquid used for cleaning glasses with a nerve medicine which she was demonstrating an over 200 persons are thought to have been poisoned. The demonstrator, however, was the only one to report to a hospital.

Sharonville, O.—"Howdy, John!" "Howdy, Jim!" Thus John and James Stewart of Kansas and Tennessee respectively, met here after a lapse of 47 years. Both believed the other dead and spent several hours in a room together before they found out their relationship.

Pewaukee, Wis.—Here's the latest fish story. Robert Nichols and E. F. Schmutzler went fishing. Arriving at the favorite spot, they found to their horror they had brought a can of green paint instead of a can of bait. But, listen! Nichols is an artist. He painted pictures of a worm on the hook, and they had a record catch.
